

About the Institute:

The great visionary and philanthropist Hon. Vilasrao Deshmukh founded Manjara Charitable Trust in the year 1988. In 1992, the Trust started the College of Engineering at Airoli (Navi Mumbai) to meet the demand of engineers and technocrats in the country. The institute was renamed as Rajiv Gandhi Institute of Technology and shifted to the permanent campus in 2002.

About the Department:

The Department of Information Technology was established in the year 2002 with the sanctioned intake of 60 students and provides IT services to the entire institute. The department aligns itself to the changes in fast changing technologies like IoT. It fosters Project-based learning and teamwork.
