**IMPULSE RUN 2018**

Being a brainchild of ZODIAC, “IMPULSE 2018” was RGIT’s very first run which was introduced on the silver jubilee of MCT’s Rajiv Gandhi Institute of Technology.

It was a 10km run covering the areas of Versova, D.N. Nagar, Lokhandwala and Oshiwara. We witnessed massive participation from our very own college, to the tune of 600 people and 200 runners from outside.

The deliverables for the runners included T-shirts, finisher medals, certificates, caps, refreshments, vouchers from partner brands, pre-race workout (Zumba). We started with a Zumba session prior to the run at 6:00 a.m. and flagged off the run at 6:30 a.m.

The main motive behind this run was to create awareness about Women Empowerment and Safety. We were honoured by the glorious presence of renowned actress **AahanaKumra**. She shared her thoughts and views regarding the current scenario of women in society.

We had partnered with our very own NGO – SOCH (Social Organisation for Conserving Humanity) to help the underprivileged children by donating books and pens.
