SOCIAL ACTIVITIES DONE BY THE INSTITUTE

VISIT TO Cama Road Municipal School, Andheri: 6 February, 2016

BEACH CLEANING, Versova Beach: 28 September, 2015

The SOCH had independently organized a Beach Cleaning Drive (post Anant Chaturdashi) at Versova on 28th of September, Monday. Twenty three students, including 6 S.E.s and remaining T.E.s, had joined us.

Paper, thrashes, plastics and glass were collected. The garlands, flowers, fruits, coconuts were taken away from the beach. The broken idols, immersed into the water, lost in the sand were discovered and had been put at a proper place for the Municipal Corporation to collect. The water at the shore contaminated by the flowers, fruits' remains and plastics were cleaned.

VISIT TO DESIRE SOCIETY, Desire Society Orphanage for HIV positive children: 02 August, 2015

The SOCHwale decided to pay homage to our former President, renowned scientist, an ideal to generations, Hon'ble Dr. A.P.J. Abdul Kalam, by imitating his hobby of having a joyful interaction with children. The team visited Desire Society Orphanage for HIV positive children. The orphanage, located in Goregaon west, houses 30 children of age of 4-18 years. A small interactive session was conducted by Prof. D.K. Chakrudev with the help of students of RGIT. The session included showing videos, narrating his stories to children who were all ears to know more about our 'missile-man'. We also tried to convey his lessons, dreams, ideals and vision for country. We also distributed books, school stationery, chocolates to children and they were accepted with a graceful 'Thank You'. The children, at the end of session were sure filled with inspiration to dream big, to work hard to fulfill them, to work for India, betterment of human race and most importantly- Vision 2020.
