

SONALI N. JADHAV

M.E. in Computer Engineering
B.E. in Computer Engineering

Email: sonali.jadhav@mctrgit.ac.in

Designation: Assistant Professor in Computer Engineering Department.

Experience: Educational 7 Years

Areas of Interest: System Programming and Compiler Construction, Discrete structure and graph theory, soft computing, Data Mining.

Publications

Journals:

- **Sonali Jadhav** and **Kiran Bhandari**.(2013), “Anomaly Detection Using Hidden Markov Model.”, *International Journal of Computational Engineering Research*. Paper Selected for Publication in Vol. 03(Issue 7).

Conferences:

- **Sonali Jadhav** and **Kiran Bhandari**, “Expenditure Based Fraud Detection In Online Shopping”, *International Conference on Knowledge Collaboration in Engineer*, ICKCE 2014, S.V. Kathir College Of Engineering Koimbtur,.

Project Supervisor

PhD level:

PG level:

UG level:

1. Campus WI-FI Informative system.
2. Knowledge Management System Using Crawling Technique
