

SURENDRA TUKARAM SUTAR

M.E. Electronics, Mumbai University

B.E. Electronics & Telecommunication, Mumbai University

Email Id : surendra.sutar@mctrgit.ac.in

Designation : Assistant Professor in Electronics & Telecommunication Department.

Experience : Educational 14 Years

Date of Joining : 23/06/2005

Areas of Interest : Electrical Network Theory, Electromagnetics, Radio Frequency Circuit Design, Microwave & Antenna, Analog and Digital Communication

Publications

Conferences:

- International :
- Priya Gupta , **S.S.Sutar** “Study of Various Location Tracking Techniques for Centralized Location, Monitoring 7 Control System” in IOSR Journal of Engineering, Vol. 4, Issue 03, March 2014
- Vishal Lokhande , Sanjay d. Deshmukh , **Surendra T. Sutar**, “Vampire Attacks Prevention in Wireless Sensor Network” Vol. 3, Issue 09, Sept 2013
- Priya Gupta , **S.S.Sutar** ,“ Multiple Targets Detection and Tracking System for Location Prediction” in International Journal of Innovations in Scientific and Engineering Research , during March 2013
- **Surendra T. Sutar** ,“Implementation of Hands Free Mouse using Speech and Motion Tracking” in Computer Science and Information Technology, Bangalore during 24-25 July 2011.

Interaction with Professional Institutions :

- STTPs :
- Completed 12 week NPTEL course on “Principles of Communication Systems” in Jan –Apr 2018.
- One week STTP on “Advance Wired & Wireless Communication”, at Rajiv Gandhi Institute of Technology, Versova, Andheri(W), Mumbai during 11-15 June 2007.
- Workshops :
- One day workshop on “Internet of Things (IoT) on 7th July 2016 at MCT’s RGIT
- One day workshop on “Internet of Things (IoT) on 8th Jan 2016 Organized by Fr. C.R.C.C.E, Bandra (w)
- Two day workshop on “Advanced Wireless Technologies” on 22-23 Sept 2009 Organized by VJTI, Matunga
- National workshop on “Scilab and its Applications” at MCT’s RGIT from 02-06 Jan 2012.

● Conference attended :

- National Conference on “Advances in Information and Communication Technologies” (AICT 2010) on 22-23 March 2010
- Presented technical paper entitled “Implementation of Hand Free Mouse using Speech and Motion Tracking” in International conference Computer Science and Information Technology in Bangalore on 24-25 July 2011

Others

- Member of syllabus revision committee of Electronics and Telecommunication, Mumbai University since 2013
 - IETE Faculty Coordinator
-
