IETE ISF

The Institution of Electronics and Telecommunication Engineers (IETE) founded in 1953 is one of the leading Professional Society in India. With the great vision of founder and subsequent forefathers and stalwarts who were leading light of the Institution IETE, have been devoting and contributing for the advancement of Science and Technology in the fields of Electronics, Communication Engineering, Computer Science, Information Technology and other related subjects.

The major focus of IETE is to provide engineering education i.e. Degree and Diploma level certifications to younger generation at affordable cost who can not afford it through regular & private engineering institutions at exorbitant cost. IETE has got two streams of Student base. First wing is the students of alma-mater , IETE , viz, the pass outs of DIPIETE , AMIETE and ALCCS students . For them we have an Alumni Association formed in 2013 and the Second one is the Engineering students studying in Engineering Colleges and Polytechnics across the Country. This wing is the ISF (IETE Students Forum). More than 550 live ISFs are functioning in India today with a student membership of more than 60,000.

➤ **The RGIT IETE Students Forum shall have the following broad objectives :**

- To plan and organize technical programmes and activities, such as, special lectures, workshops, seminars, symposia, exhibitions etc for the benefit of student members on a regular basis.
- To provide a common platform for the student members to exchange ideas and information on the topics of their interest e.g. curriculum, employment / higher educational opportunities, emerging trends, new development etc;
- To facilitate technical visits / practical training / project work / employment, of the student members in R&D laboratories, industries, academic institutions etc;
- To encourage team work and the spirit of self-reliance among the student members;
- To serve as a focal point at the institution on all aspects of professional development of the student members.
